

Photos of the Site

Figure 6: A view across and from the west side of MR228 of Blue Gum Estate
The wetland area is immediately behind the white picket fence

Figure 7: A view across MR 228 of the north-western corner of the site.
The diagonal white line (left of the photo) is the northern boundary.

Figure 8: A view southwards of over the main drainage line

Figure 9: A view eastwards through the plantation

Figure 10: A view of the Davidson residence

Figure 11: A view northwards over the wetland located between the plantation and the MR228
